John Henry Christian de Stumpel is just come from Germany with his Officers: His Majesty granted him, the 10th of February last, 20,000 Acres of Land in the Province of Acadia and of New Scotland, between the two Rivers of St. John and of St. Croix, any where it will be most agreeable to him to settle a Colony, and to build a City for Commerce, which shall be called by the Colonel's Name, Stumpelburgh, and which he will fill with Artificers and Traders, whom he has brought with him.

We have good Authority to assure our Readers, that the Spanish Ambassador, as far as he can consistently do it, will hear from the King his Master, condemn and disavow the Proceedings of the Spanish Governor in Respect to our Settlers at the Bay of Honduras: And we can also affirm that Dispatches on this Head have been sent to our Ambassador at Madrid; as well as Remonstrances to the Earl of Hertford at Paris, in Consequence of France being Guaranty for the Spaniards true Obedience of the late Treaty.

NEW-YORK, *September 20.*

The white People mentioned in our last, that were deli-

vered up to Sir William Johnson, at Niagara, arrived here

last Monday, from Albany, and are now in a Room in the

Barracks of this City. Benjamin Shepard was taken the

4th of September last, at Wyoming, in Pennsylvania, by

the famous Capt. BULL, now in our Quail, in Company

with Daniel Baldwin, and Jane, his Wife, Abraham Bal-

win, John and Daniel Howell, and one Isaac Baldwin.

The Indians burnt Daniel Baldwin, and his Wife died of

Hunger at the Indian Town last Winter; John Howell at-

tempted to make his Escape, but was found dead in the

Woods, having lost his Way; Daniel Howell got off, A-

braham Baldwin was murdered, and Shepard would have

been murdered also, had not Capt. BULL pursued the In-

dians to the contrary; however BULL, with his own

Hands, gave him a sound whipping.

Shepherd says there are yet a great many Prisoners at the Indian Towns, among them a Daughter of one Samuel Canfield, that lives here Delaware, who was taken the War before last.

Camp at Lancaster, August 28, 1764.

To-morrow, with the Remainder of the Army, under the Command of Colonel Bouquet, camping a Garrison left at this Post.

"The 27th Instant an Express brought Letters from Fort Mifflin, giving an Account that the Indians had held for Peace in their usual abject Manner.—At the same time those Savages continued skulking on the Frontiers, and under every defenceless Person they can catch in an unguarded Minute.

"Yesterday we received the following Copy of a Letter, directed to the Commanding Officer at Fort Cumberland.

Winchester, August 22, 1764.

"I have just now received certain Intelligence, by Thomas Smith, Baker, of this Town, and a Man of Verdun, who says, that about Twelve o'Clock this Day, he saw the Bodies of John Miller, and eleven others of his Family, he dead, scalped and mangled, within a Mile of George Bowman's, and about Twelve Miles Distance from this Town. I am apprehensive that there are several small Parties of the Enemy near our Quarters, and by this Intelligence you may probably fall in with some of them in their Return. You will please to forward this, by Express, to the Commanding Officers of Hampshire, not omitting shewing it to the Commanders of the several Posts as they pass.

"P. S. Just now have received an Account of three more, taken from Slover's Town; and two others fired at by the Indians.—As this Express fits off, another Man killed at Slover's Town, and three taken Prisoners."

A Letter from Carlisle, of the 29th ult. mentions their having received certain Advice there, of seven Persons being killed, near Winchester, on the 23d of that Month, by the Indians: That the Enemy had been lately seen in different Parts of Cumberland County; and that two of them are said to have appeared within a Mile of Carlisle on the 26th of last Month.

Another Letter from the same Place, of the Fourth Inst. advises, that the first Division of our Army was arrived safe at Pittsburgh; the Rear receiving a few random Shot from the Enemy near the Port.

pointed the Right Honourable CHARLES, Earl

made him his Residuary Legatee, after the
Death of Thomas Colvill, the Testator's Brother,
whom he appointed his other Executor: The said

the Legacies, paid several of the Debts, and in
particular, Quit Rents and Taxes for the said

WILLIAM KNAPP, WATCH-MAKER,

TAKES this Method to acquaint the Pub-
lic, That he has provided an Assitant in the
WATCH-MAKING BUSINESS, which will
enable him the better to Dispatch the Work of
those Gentlemen who have, and may employ him.
He hopes his past Endeavours in that Way, may
have answered the desired End. It is manifest
from daily Experience, that Numbers of Watches
(which have been originally well executed) have
severely suffered thro' the unskilful and injudicious
Practice of some Men, who assumed the Knowledge
of a Business to which they were only Pretenders.
Those Watches which have been many Years in
Use, and consequently Wore, he will engage to
Mend, as well as when New; and will at a very
moderate Expence keep, those he Repairs, in Or-
der, for Ten Years, all Damages excepted which
may accrue to 'em from Accidents, such as a Fall,
and the Breaking of a Main Spring, which the most
diligent Workman cannot often Account for,
nor the skill prevent.

He Makes, and will Supply any Gentlemen with
HORIZONTAL, SECONDS, or PLAIN WATCHES,
and will engage the Quality to be equal to any
Imported from London.

BROKE out of York Jail, in York County, the
following five Persons, viz. Matthew Forsythe,
a thick well-set Fellow, aged about 25 Years, has
red Hair, and is much freckled. Had on a white
Broad-Cloth Coat, Cotton Velvet Jacket, white
Stockings, and old Shoes. He is a very robust
Fellow. John Math, an Englishman, 5 Feet 10
Inches high, of a swarthy Complexion, wears a
Blanket Coat, short under Jacket, and dark brown
Hair. He was confined for Felony, for which he
received his Punishment. William Phillips, a stout
thick well set Fellow, very remarkable for thick
Legs, and is a Shewman. Had on a short strip'd
red Jacket, and speaks much on the Irish Dialect.
Charles (a Negro) committed on Suspicion of Fel-
ony, very remarkable, having lost his right Arm,
and is a supple Fellow. William (a Maltese) the
Property of one Sauterly in Connechaug, a thick
well-set Fellow, wears a brown Homespun Coat,
coarse Trowsers, strong Shoes, and brown Yarn
Stockings, but no Buckles.

shall receive Ten Pounds Reward, and Forty Shil-
lings for any or either of the Rest, or Eight Pounds
for the Whole, paid by

ROBERT M'PHEWSON, Sheriff.

WANTED,
In FREDERICK-TOWN, in Frederick County,
A BARBER and PHRASE-MAKER, who will meet with good Encouragement from the Inhabitants in and about that Town.

SCHEME of a LOTTERY, For the Use of Talbot County School.

THERE being a Necessary need making considerable Repairs to the Buildings of this School, and also some Addition thereto for the Master's Convenience, and the Funds appropriated to it's Use being already charged with a heavy Debt: The Visitors, unprovided with any other Means, take Leave to propose the Method of Lottery, to raise the Sum of Three Hundred and Sixty Pounds, for answering the Purpose abovesaid.

This School, thro' the Abilities and extraordinary Affluity of the present Master, has for many Years, even under great Disadvantages, been look'd upon as perhaps the best and most frequented in the Province: And should this Scheme succeed, and the Buildings be render'd more commodious, by having the School-Room enlarged, and the upper Chambers well fitted for the Reception of Boarders, it might soon become still more extensively useful than it has hitherto been.

INSTRUCTION, or right Education, is universally confessed to be one of the greatest Advantages in Life. It is the best and truest Improvement of our rational Faculties; and those liberal Arts and Sciences, by which the Condition of Mankind has been rendered more happy and commodious, are, in a great Measure owing to it. It purges of the Dross of Slavery and Superstition, and bears a friendly Aspect on Liberty, and the social Interest of Mankind.

SOLICITOUS to secure this noble Advantage, and actuated, entirely, by Sentiments of Tendernefs and Regard for the rising Generation, the Visitors flatter themselves that every Lover of his Country, and Friend of Mankind, will warmly promote a Lottery so laudable in it's Intention, and countenance, with his Favour and Indulgence, THIS NURSERY of SCHOOL-LEARNING.
